

A SEASON OF RENEWAL AND NEW TECHNOLOGY!

Dear FIRM Participant:

Are you familiar with the term AUTO-Categorization? Do you know why some Records and Information Managers say that this will be the way of the future? Leading experts in this new and essential technology will answer these basic questions and offer time after their presentations for inquiries and concerns. Come join this important program sponsored by the Digital Government Institute (DGI) and FIRM!

What: **Auto-Categorization**
Where: Ronald Reagan Building & International Trade Center in Washington, D.C.
When: March 15, 2012
Who: Leading government and industry colleagues explain this new field

FIRM is pleased to announce it is again joining Digital Government Institute's E-Discovery, Records & Information Management Conference & Expo to present "**Auto-Categorization: what agencies need to know**"

The event is free to individuals with valid **Federal Government** IDs. For more information and registration please visit the DGI web site at:
